

Sports Days 2022

Wednesday 6th July- Maple, Oak and Willow

Thursday 7th July- Ash, Cedar and Elm

On the day of their sports day, please can children come in their PE kits wearing a T-shirt in their school team colour if they have one, or a school PE top.

From 1.45pm the side gate will be open and families can go to the school field to watch their child's sports day. The sports activities will be from 2pm until approximately 3:15pm. Before sports day, children will have run heats to determine the finalists for the sprint and long-distance events. They will have also competed in throwing and jumping events which will all count towards their team's overall score. During sports day, we will not only have the running finals, but will also have a carousel of activities for all children to compete in and earn points for their house.

Please bring chairs or picnic rugs if you wish along with plenty of sun tan cream and don't forget your sun hat as we are hoping for lovely summer weather! Families will be able to move around the field to watch their children taking part in the different events if they wish. Please keep younger children with you.

During the afternoon the PTA will be selling refreshments as well as helping to make it a special afternoon for all the children. At the end of the afternoon the children can go home and you can take siblings should you wish.

NB: If wet, we will tweet to inform parents and we have a reserve day on Friday 8th July where families will be able to attend. If the weather is again too wet, the children will take part in indoor sports activities and families will not be able to attend.

Photographs: No photos to be taken. We will take photographs and publish on the class twitter feed after the event. Thank you for your support as it ensures we can meet everyone's wishes regarding photograph publicity.
