

Year 5 are continuing with their work this term with the DAA group and are also extending it by fundraising for Age Concern. If you can help them, we would really appreciate it.

Please can you help us to take part in the [Innocent Big Knit](#). For every hat we knit a donation is made to Age UK, please help us if you can and spread the word amongst any local knitters you may know. We will be collecting hats from now until May half term. Then we will box them up and take them the local collection point.

[Here is the link to the patterns.](#)

If you can knit a hat, please put it in the school red wooden post-box in the main entrance. Thank you for your support.
