

High Ham Primary School Summer Holiday Activities

During the summer, it is important the children relax and enjoy their time away from school. However, we know how beneficial it is for children to keep practising key skills. Here's a list of possible activities for the children, which will help them in September, but will hopefully be enjoyable too!

- Most importantly, keep reading! Read as much as possible and read as wider range of texts as you can. The Somerset Library service is running its usual summer reading challenge. This year's theme is, 'Wild World Heroes'. **20 Dojo points will be awarded for completing the challenge.** Here is a link with all the information you need:
<https://summerreadingchallenge.org.uk/news/general/summer-reading-challenge-2021>
- Write a letter or postcard to your new teacher. You could tell them about your holiday, talk about your hopes for the next school year and ask any questions you have about your new class. **10 Dojo points will be awarded for writing a letter or postcard.**
- If there are particular areas of English or Maths that children would like to revise ahead of September, BBC and Oak National Academy have all the lessons and resources you'll need:
<https://www.bbc.co.uk/teach/primary/zd7p47h>
<https://classroom.thenational.academy/summer-learning-support>
- It's always nice to keep a holiday scrapbook. Write about your days out and stick in souvenirs and photos. Your new teacher would love to see it in September and you'll enjoy looking back at it when you're older. **Dojo points will be awarded accordingly.**
- Write book or film reviews. There are lots of templates online you can use. **Dojo points will be awarded accordingly.**
- Keep your times tables recall quick with TT Rockstars using your log in or <https://www.cgpbooks.co.uk/info/times-table-tester> which doesn't need a log in.

Be inspired by things you do and places you go. Your new teacher will love seeing any work you produce and it will certainly get your Dojo points total off to great start in September!
