Thank you for all your support this week. Please consider attending one of the CLP (Community Learning Partnership) evening parent meetings at Huish Academy. These are meetings that we help to fund alongside other local schools to help support you to keep your children safe in their locality, they are run by experts in their field.

You can book via link reposted on Fri or check the letters page of the website.

Monday is about County Lines - which is a really important issue for your children growing up in our community. If you find out more now, it will help you to prevent future problems for your family. If you have siblings at Huish Academy too, it will be extremely useful.

The screenshot shows the website for High Ham Church of England Primary School. The header includes the school logo, name, phone number (01458 250735), office hours (08:45 - 3:30 Monday to Friday), and social media links for @HighHamSchool and @HighHamSports. A navigation menu lists Home, About Us, Classes, Curriculum, Key Information, School Life, Calendar, and Contact. The main content area is titled 'Mental Health' and includes a breadcrumb trail: Home > School Life > Mental Health. On the left is a sidebar menu with items: Forms, School Lunches, New Starters, School Uniform, Letters, PTA, Clubs and Sports, and Extended Services. The main text area is titled 'Mental Health' and contains the following content:

**What is the definition of mental health?**  
*"Mental health refers to cognitive, behavioural, and emotional well-being. It is all about how people think, feel, and behave. People sometimes use the term "mental health" to mean the absence of a mental disorder. Mental health can affect daily living, relationships, and physical health."*

**Need some support and advice?**  
There are a wealth of excellent Mental Health resources available. If you follow the CLP (Community Learning Partnership) PFSA (Parent, Family Support Assistant) [twitter account](#) you will see that she often posts useful advice and links which are regularly updated.

We have a Mental Health lead (Mr Briggs) as well as a range of methods of accessing support in our graduated response approach.
