15th July 2022

Dear Parents and Carers,

Amber Warning of Extreme Heat

With the anticipated increase of temperature and the Met Office Amber Warning of Extreme Heat, we have reviewed some of our procedures for the early part of next week.

Uniform: We understand that school uniform may feel uncomfortable in this heat, therefore you may wish to send your children in cooler loose-fitting, cotton clothing instead.

PE: We will not be following our usual PE curriculum on Monday and Tuesday. Instead the children will be given some calmer activities inside.

Maple Class: The temperature in this classroom is harder to regulate, therefore for Monday and Tuesday, Maple Class will work in the hall.

Classrooms will be ventilated, and fans will be used to circulate the air if necessary.

Lunchtimes: The children will have a reduced period-of-time outside and they will be kept in the shade if playing outside.

Daily Mile: Until the weather cools down, we will not be completing the Daily Mile.

Please continue to send your child/ren into school prepared for their day: sun-cream already applied, a hat and water bottle.

Thank you for your support. Please remember to keep an eye on our Twitter feed, as if the Government advice to schools changes, this is how we will communicate any further information.

Kind regards

Ann Edwards
Acting Headteacher
