

Thursday 11th May 2023

On Monday 15th May, Huish Academy will be running a rounders taster festival from 4pm-5:30pm. It is open to anyone interested. No staff from our school will be attending so parents will be responsible for their children. There is a Year 5/6 rounders tournament in July, so this is a great chance to get some practice in and put yourself forwards for selection. If you're interested, please complete the Google Form which was emailed to years 5 and 6.
