Dear Parents and Carers,

Service Pupil Premium Pledge 2024 - 2025

I am writing to inform you about the Service Pupil Premium, a funding allocation aimed at supporting children from armed service families. This provision acknowledges the unique challenges faced by service children, such as parental deployment and frequent relocations.

As part of our commitment to supporting these pupils, we are pleased to offer a range of additional resources.

Each child, eligible for the Service Pupil Premium, will receive a free place at our after-school care provision, once a week. This is to provide a safe and engaging environment for them to unwind and connect with their peers.

Furthermore, we recognise the importance of pastoral support, particularly during times when parents are away from home. Tailored emotional and social support will be available during these challenging periods to help children navigate their feelings.

Additionally, we invite all eligible students to participate in our homework club, designed to foster academic confidence and success in a supportive atmosphere.

Should you have any questions regarding the Service Pupil Premium or how to access these services, please do not hesitate to contact the school office.

Kind regards

A Edwards
