

## Pupil Premium (PP) Report 2019/20 Academic Year

### **Part 1: Planned Expenditure (Report compiled July 2019)**

Number of pupils eligible for Deprivation Premium: 7 @ **£1,320 (£9,240)**

Number of pupils eligible for Service Child Premium 2 @ **£300 (£600)**

**Total Anticipated income for Pupil Premium: £9,840 Total**

**Anticipated expenditure on Pupil Premium: £15,539  
(School contribution of £5,699).**

At High Ham we have introduced the pupil premium pledge which is saved on our website and a letter referring to it issued to all PP parents at the end of each summer term. The Pupil Premium Pledge is on the website and repeated at the end of this document.

### Planned Expenditure for the 2019/20 Academic Year

Last year all pupil premium children achieved well in their external tests and this year we aim to maintain and improve on these results by allocating the spending accordingly.

The planned expenditure will be reviewed throughout the year and compared to our predicted results – any alterations will then be made to ensure the PP children reach their expected levels of attainment.

During the year we plan to fund a range of intervention programmes covering both the personal/social aspects of education as well as the academic subjects.

| Intervention  | Anticipated Cost | Outcome:  |

## Part 2: Actual Expenditure (Report compiled July 2020)

### Planned expenditure

£15,539

### Actual Expenditure:

£16,000 approx as we needed to put some extra support in place.

## Part 3: Results (Report compiled July 2020)

Our external results for the PP children do not need to be published this year due to Covid-19. However, we have been pleased that the systems we have put in place this year at parents evenings with the new report format have been very helpful in pinpointing areas of focus and helping us to plan the correct interventions. In the autumn term we have plans in place to focus on both the pastoral as well as academic work. During Covid-19 the regular online work, bringing vulnerable children into school as well as regular phone calls has helped.

## Part 4: Free School Meals Pupil Premium Pledge for the 2019/20 Academic Year

### What is free school meals pupil premium?

According to the Department for Education: “The [pupil premium](#) is additional funding given to publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers.” Pupil premium is a designated amount of money that the government allocates to each school, based upon a number of factors which are linked to the perceived deprivation of certain pupils in school. This money is meant to be spent directly or indirectly on those pupils who are considered vulnerable because they are not meeting National Expectations in terms of attainment. Within our school, the money is spent on children entitled to free school meals, children with special educational needs and those children that are looked after children. Within our school however, all children regardless of the aforementioned groups have pupil premium money directed towards them directly or indirectly if for any reason they become vulnerable due to their attainment levels.

### Who can apply?

For up to date information: <http://www.somerset.gov.uk/education-learning- and-schools/school-life/free-school-meals/>

**Who knows if my child is entitled to the pupil premium?** The school staff need to know to ensure that the needs of the children are met. However, this

information is not shared with other children/parents and remains confidential. The Governors need to track the progress of this group of pupils but they do not know who the individual pupils are.

### **What do you get?**

The school receives additional funding to support the learning of the pupil premium children. We are also introducing from September a pupil premium pledge which will involve the following at no cost to the parents:

- A place at High Ham Monkey Madness once a week (Mon-Thurs 3.30pm – 4.30pm) with the option to pay to extend the hours.
- A new school sweatshirt at the start of each academic year
- All curriculum school visits/trips (excluding enrichment activities)
- Swimming tuition at Strode and possibility some catch up swimming at the Dragon Pool
- At the end of year five a week of summer school organised by the CLP

In addition during the school day:

- Meet with and work with an ELSA (Emotional Literacy Support Assistant) on a regular basis
- Involvement in small group intervention work when appropriate
- Priority use of class iPads/tablets and the opportunity to take these home when needed for homework activities
- Priority access to all extra curricular activities

These children will also have a target plan for them which will be discussed with parents during termly parents meetings.

### **Why don't all the children get this?**

We will always do our best for all children. This initiative has come directly from the Government and therefore we need to put something in place. **What about armed forces pupil premium children?**

- This funding is used to provide free childcare at HHMM once a week (from 3.30pm until 4.30pm)
- Additional intervention programmes/social support needed throughout the year.
- Meet with and work with an ELSA (Emotional Literacy Support Assistant) on a regular basis or as and when needed.

### **Where can I find out more?**

For further information, please refer to our Pupil Premium Policy and to the annual pupil premium reports which are published on our website. If you have any queries or questions, please do not hesitate to contact me.

## **Part 5: High Ham Pupil Premium Policy**

At High Ham Church of England Primary School, we believe that all our children have an equal entitlement, and should have an equal opportunity to:

- Develop imagination and creativity
- Acquire skills and abilities
- Have a love of learning

The school receives funding from the Government to support it in trying to meet this aspiration. This is known as the Pupil Premium.

Pupil premium is additional funding, from the government, provided to schools for supporting more pupils from low income families to ensure they benefit from the same opportunities as all other children. There are three categories of children that qualify for pupil premium:

- Children who are eligible for free school meals (FSM)
- Looked after children
- Armed forces children

It is for schools to decide how the Pupil premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils for whom they are responsible. The Pupil Premium is allocated to schools with pupils on roll in January 2014 that are known to have been eligible for free school meals (FSM) at any time in the last six years. Each of these pupils will attract £1300. Schools have the freedom to spend the Premium, which is additional to the underlying schools budget, in a way they think will best support the raising of attainment for the most vulnerable pupils.

At High Ham C of E Primary School, a very small proportion of children are eligible for pupil premium.

All our staff and governors accept responsibility for 'socially disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs within a caring environment. The targeted and strategic use of pupil premium will support us in achieving our vision.

### **Principles:**

- We seek to ensure that teaching and learning opportunities meet the needs of all of the pupils;
- We seek to ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of

- socially disadvantaged pupils are adequately assessed and addressed;
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged;
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being in need of intervention and support;
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals.

### **Provision:**

The range of provision the staff and Governors consider making for this group include:

- Reducing class sizes thus improving opportunities for effective teaching and accelerating progress;
- Providing 1-1 and small group work with an experienced teacher/HLTA focused on overcoming gaps in learning;
- Additional teaching and learning opportunities provided through learning mentors, trained TAs or external agencies;
- The majority of our work through the pupil premium will be aimed at accelerating progress moving children to at least age related expectations. Initially this will be in English and maths;
- In addition, the school recognises that the wider curriculum supports and enriches children's development in communication, English and maths, and therefore funding will also be allocated to enable children to participate fully and actively in wider and extra-curricular activities;
- Pupil premium resources may also be used to target able children on Free School Meals to achieve a secure understanding of the age related curriculum for their year group.

### **Reporting:**

- It will be the responsibility of the Headteacher, or a delegated member of staff, to report to the Governors on:
  - the progress made towards narrowing the gap, for socially disadvantaged pupils;
  - an outline of the provision that was made since the last meeting;
  - an evaluation of the cost effectiveness and impact of the provision in terms of the progress made by the pupils receiving a particular provision.

- Parents will receive information as to the progress of pupils through termly parent meetings and target plans as well as in the final end of year report.
- The Governors of the school will ensure that there is an annual statement to parents on how the Pupil Premium funding has been used to address the issue of 'narrowing the gap', for socially disadvantaged pupils. This task will be carried out within the requirements published by the Department for Education and will appear on our school website and will be updated annually.

### Monitoring:

As a school we are committed to providing the best education for all our pupils and will develop the process of how we use PP funding over the years once we can evaluate what has had the most impact on children's learning. There will be annual reports published and this policy will be reviewed each year.

**Regarding .....**

High Ham Primary School Free School Meal Pupil Premium Pledge - September 2019 to July 2020

Free School Meal Pupil Premium is allocated to children who have been eligible for FSM at any point in the last six years (also known as Ever 6 FSM). It is a designated amount of money that the government allocates to the school. This money can be spent both directly and indirectly on these children.

Here at High Ham Primary School, from September 2019, we are revising our pupil premium pledge which will involve the following at no cost to the parents:

- One hourly session at Monkey Madness (Mon-Fri 3.30pm – 4.30pm). You will need to complete a registration form.
- A new school sweatshirt each academic year.
- All Curriculum school visits/trips (excluding enrichment activities).

- Residential trips less the deposit.
- Swimming tuition.

In addition during the school day:

- Involvement in small group intervention work when appropriate.
- Priority use of class iPads and the opportunity to take these home when needed for homework activities.
- Online subscriptions to intervention programmes.
- Priority access to all extra-curricular activities.
- Support from a Learning Mentor.

These children will also have a target plan for them which will be discussed with parents during termly parents meetings.

Therefore from September when completing trips and visits permission forms you are not expected to make a donation, please ensure you still return the permission slip.

I have enclosed an order form for a sweatshirt which needs to be returned in the envelope.

If you have any further questions please feel free to discuss with myself or Mrs Rosser in confidence.

Many thanks
